

Looking for Toothy Smiles

Individual, family and class photos will be taken on Tuesday, October 20th here on campus! We will begin at 9 am at the PrePrimary then move to the main campus and start with the Elementary class. We will be taking the siblings of the PrePrimary students up to the PrePrimary for sibling pictures. If you have siblings or other family members of students who do not attend Clear Spring and would like their photo taken with each other, please notify the office. We will later be sending proofs of the photos home with the students, and will display class photos in the office for you to place your orders.

Even if you're not able to run with us on the 24th, please remember you can walk. It's going to be lots of fun. AND the more you spread the word, the more successful the event will be as a fundraiser for your school. Sign up this week and take advantage of the early registration discount. Also, T-Shirts are promised only to the first 200 people - and we might run out of your size! www.runeureka.com.

Trashathon

Our annual Trashathon pick-up has been rescheduled to Wednesday, October 28th. This event teaches your child(ren) the importance of community service and encourages them to do their part to help the environment. This event needs your help. Here's how:

1. Drive kids to location
2. Provide trucks for gathering trash
3. Drive around and locate areas in Eureka Springs and Berryville that need cleaning.

Please call Gayla Klemett to offer your support at 244-6615.

Chili today, hot tamale

The APT (Association of Parents and Teachers) will be hosting the Chili Dinner on Tuesday, October 20th at 5:30pm. This is one of the two dinners served to raise money for Teacher Appreciation. APT will plan Teacher Appreciation for all teachers in May using the funds raised at these dinners. APT organizes the meal and evening with help from room parents. A cost of \$5 for adults, \$3 for children under 12 years old, and Free for children under 4. Babysitting will be available. It has become tradition that to hold down on paper products we ask that you bring your own plates, cups and utensils. There will be a presentation following dinner by the middle school, and some information about upcoming events.

Some of this Week's Thank You's

Thanks go to Patrice Gros for all his help and donations to the Food for Thought program. He is a master organic gardener and a good friend of CSS.

Jessica Guillory and Amy Clements have lent their ideas, research and time to helping organize RunEureka. Oh, and they've also test run the routes. But don't bother to ask them to divulge any clues. They're sworn to secrecy!
