

As you know by now, our volunteer parking lot dad, Jamie Gregg, is helping with traffic flow and keeping the kids safe getting into vehicles. We feel

this is working well; however, we still need your individual help to make this even better.

1. **SLOW DOWN.** The speed limit in the parking lot and up the PrePrimary road is **5 miles per hour**, and we tend to have students everywhere.
2. Be patient with our parking lot attendant. You may be asked to move your car, slow down or wait a moment to insure the kids' safety.

We're collecting entry forms and fees. Have you signed up yet? Again, it's www.runeureka.com.

Private Art Lessons

Natalia Cole will be accepting art students for after-school lessons. For price and times, please call Natalia at 244-7461.

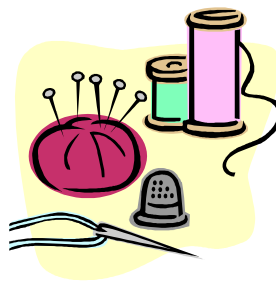

Donice is in the house!

Welcome Donice as MS block teacher. She is teaching Grammar/Parts of Speech this week. This is an intensive block. Thanks Donice!

Jessica FitzPatrick will be conferencing individually with the students. She is inviting parents who would like a conference with her regarding their child(ren). Please call the office 479-253-7888 to schedule.

Last Minute Plans

The end of the school day here is quite busy, and lately has been busier with students making last minute plans for after school. We ask that arrangements for after school be made the night before. When students come into the office to call parents and change after school plans, it can leave the staff out of the loop in insuring students get home safely and to where the parents want them to be. Please call the office if your child(ren) are being picked up by someone not on the parent-approved lists, or if there is a different plan for where they'll be going.

Keeping us all in stitches

We have some ideas about a couple of projects that will require some professional seamstresses to help us complete. Is this your forte? Is this perhaps the skill you have that you could donate for the auction. Come talk with Steven. This could be fun for you AND helpful for the school!

Food For Thought

Please discuss with your child which days they would like lunch and have them place their order with Crystal on Fridays. The individual lunches can be paid on the day of lunch.

Payments are also due for those doing the full lunch program (\$60/month).

Please send a morning snack with your child. We are working on portions and increasing them, but a snack would help them throughout the morning.

Lunch Menu Oct. 5- 9

Monday - Ancient Chinese Secret Stir-Fry
Chicken on the side
Prepared by Inger Svendsen

Tuesday - Baked Pasta and Salad
Prepared by Britt Evans

Wednesday - Black Bean Taquitos and Salad
Prepared by Samantha Hutchison

Thursday - Pizza: pepperoni/cheese
Provided by Lovin' Oven

Friday - Sandwich Bar and Salad
Prepared by Middle School Class

The High School Block subject this week is Vocabulary and ACT Prep with Pete Golden. For college-bound students this is a great course! Juniors have been offered the PSAT test to be taken at the public High School on October 14th. The cost is \$13.00. Please call Crystal if you have any questions or want to reserve their spot by this Friday, Oct. 2nd.

Tardies/Absences

If your child is going to be late or absent, please call the office at 479-253-7888. Thank you.
