Our annual Trashathon pick-up has been rescheduled to Wednesday, October 28th. This event teaches your child(ren) the importance of community service and encourages them to do their part to help the environment. This event needs your help. Here's how:

1. Drive kids to location
2. Provide trucks for gathering trash
3. Drive around and locate areas in Eureka Springs and Berryville that need cleaning.

Please call Gayla Klemett to offer your support at 244-6615.
