

Trashathon Trash is Done

Great Job CSS students!

We would like to thank all the parents who volunteered their time and vehicles to participate in making this year another successful Trashathon year. Thanks to Jeannette Gallese, Matthew Jackson, Betsy Rodier, Melissa Morgan, Ellen Eby, Reillot Weston, Adrian Frost, and Linda Griffin.

Your community service efforts paid off and our little town looks clean again! We collected 27 equivalent bags of trash and 39 bags of recycling. The haul included tires, a child-sized LaZBoy, and lots of rusted out metal buckets.

Clear Spring Trail Runners

Good luck to the Trail Runners on Saturday, November 7th in the JB Hunt Elementary 5K Ididarun! We will all be awaiting the results! The Trail Runners, under the guidance of trainer Jessica Guillory, are: Wilson Guillory, Dax Wood, Elliott Morgan, Nicholas Walker, Tyler Fife and Hendrik Pot.

Bee to Be

Clear Spring School's Geography Bee will be held later this month on November 18th. It's always interesting to hear how much these kids know!
